

# Partner package proposal:

## Introduction

UNIAID offers you a cost-effective package of engaging resources suited to the unique needs of universities, colleges and schools wanting to embed and encourage learning around student finance.

### What is UNIAID Interactive?

UNIAID Interactive is a set of learning materials which complement UNIAID's higher popular web-based tools. UNIAID Interactive aims to help you to deliver fun, interactive workshops around student finance and university life, addressing:

- Costs students face going into and through higher education
- How to budget for student life
- Bursaries and available support.
- Balancing work, life and study as a student

Students face a multitude of decisions as they contemplate the route into higher education. UNIAID Interactive is easy to use, arming you with tips, tools and techniques to help students to understand, adapt and cope.

### What is on offer?

The 'Partner Package' is accessible, cost-effective and flexible.

#### Partner package to include:

- 5 copies of the UNIAID Interactive resource pack: consisting of 30 workshops including facilitator notes, student handouts and sample lesson plans.
- 10 annual memberships to the online web community: including access to e-copies of the resource pack
- 5 copies of the MASH Test: a card game is guaranteed to break the ice with any group, get everyone talking and learning about their own financial behaviours.
- 3 training places on a training event in your region (worth £525)
- 10% discount on any additional training places or resources required

**This Partner Package costs £700 per year + VAT**
