

Training packages

Put yourself in the driving seat with UNIAID interactive training.

Fed up with the confusion around student finance? UNIAID has produced a series of online tools and games about university life which deliver serious learning with infectious fun. Bringing these popular online tools into the classroom, UNIAID Interactive offers a range of imaginative, useable and understandable resources for anyone wishing to help students cope with their finances.

What is UNIAID Interactive?

UNIAID Interactive is a vital toolkit covering 30 workshops across 9 modules covering:

- Management of student finance
- Accommodation
- Transport
- Part-time work
- Budgeting
- Course choice
- Available funding – including loans, grants, bursaries
- Jobs and employment

Teacher or trainer, ambassador or adviser, these materials have been designed to be accessible and ready-to-use. Arming you with the tools, ideas and knowledge to deliver fun and engaging workshops, UNIAID Interactive is making your life easier and helping you prepare students for University life.

UNIAID Interactive is tried, tested and trusted – 96% of students reported they learnt more about the costs of being a student.

Training:

Training has been designed to help people create a fun and dynamic learning environment to deliver UNIAID Interactive workshops.

The MASH test training:

The MASH test training will equip delegates with the ideas, tools and knowledge to deliver a fun and engaging MASH test session. Delegates will leave with their own pack of 'The MASH test'

The MASH test training

£150 plus VAT

UNIAID Interactive training will provide delegates with

An overview of the UNIAID Interactive curriculum
Understanding of the learning techniques used and how to adopt these
Knowledge and confidence to deliver these workshops with young people
Experience in delivering a range of workshops
Practice using UNIAID's online resources

UNIAID Interactive training

£225 plus VAT

The UNIAID Interactive training also includes an online membership, the MASH Test and printed resources
